(Online Program) Musculoskeletal Injuries Care Certification

We design and deliver online learning courses supported by Dr Asanka Withanage of Geriatrician (Aged Care Specialist) of offering Post-Professional preparation of successfully completed Personal Trainers certification through a new certificate in online Musculoskeletal Injury Management.

What Will I Learn?

This certificate will focus on understanding, evaluating and treating musculoskeletal injuries in physically active populations. As musculoskeletal injuries are the most common injury sustained in the physically active population, a post-professional certificate that focuses on these conditions will be especially important for personal trainers.

We will be able to offer focused coursework that will provide didactic education related to mechanisms of musculoskeletal injury management of these conditions.

Course curriculum:

- ✦ Principles of Musculoskeletal Injuries
- ✦ Musculoskeletal Injury Types
- ✦ Proper Treatment of an Injury
- ✦ Bone, Joint and Muscle Injury
- ✦ Specific Injury Types

End of course certification

On completion of the course you will be required to pass a test, which is made up of multiple choice questions based on the modules you have studied. Once you pass, you will be able to download and print your certificate and start using your new certification to enjoy a successful career within the fitness industry. You also have the option of having your certification posted to you at an additional cost.
