## Sports Massage Therapy Instructor (Level One) Certification

**Content :** Sports massage is designed to help athletes prepare their bodies for optimal performance, recover after a big event, or function well during training.

Sports massage good for people with injuries, chronic pain or restricted range of motion, the therapist will generally focus on a problem area, i.e. a painful back, a pulled hamstring, or a sore shoulder, rather than giving a whole body. Some sports massage movements use trigger point therapy to break down adhesions (knots in the muscles) and increase range of motion. It is also be a good idea to see a movement therapist, who can help you identify and correct the movement pattern that might be causing your injury in the first place.
